- Labor Market Reform and Incidence of Child Labor in a Developing Economy. 2011 *Economic Modeling*, Elsevier
- Arab Passengers Airlines Framework and Performance. A Cross Countries Analysis. 2012 *Middle East Development Journal*. Economic Research Form for Arab Countries, Iran and Turkey
- Refereed five articles for the 4th African Conference in Finance and Economics, June 2012, Cairo, Egypt

GRANTS, FELLOWSHIPS AND AWARDS

I. Research Grants

- Roberto Cardineli and Abeer Elshennawy (2026). The Political Economy of Sustainable Aviation Fuel. (\$8500). University College London
- Adeel Malak and Abeer Elshennawy (2023-2024). The Political Economy of Energy Transition in MENA region. Grant (\$19000) granted by Economic Research Forum for Arab Countries, Iran and Turkey and International Development Research Center.

- Abeer Elshennawy and Mohamed Bouaddi (2023-2024). Drivers of Renewable Energy Adoption in Egypt. Research Grant (\$15000) granted by the Economic Research Forum for Arab Countries, Iran and Turkey and International Development Research Center.
- Abeer Elshennawy (PI) and Dirk Willenbockel. 2020. The effect of a Carbon Tax on the Egyptian Economy. A General Equilibrium Analysis. Research Grant (\$6000) granted by the American University in Cairo
- Abeer Elshennawy (PI) and Dirk Willenbockel. 2020. The effect of a Carbon Tax on the Egyptian Economy. A General Equilibrium Analysis. Research Grant (\$8000) granted by the Economic Research Forum for Arab Countries, Iran and Turkey.
- Abeer Elshennawy (PI) and Dirk Willenbockel. January 2019-August 2019. Anticipated versus Unanticipated Trade Shock. An Evaluation of the Trade Off. Research Grant (\$7000) granted by the American University in Cairo
- Abeer Elshennawy (PI) and Mohammed Bouaddi. March 2017- December, 2017. Research Grant (\$10,000) granted by Economic Research forum for Arab Countries, Iran and Turkey under ERF-GDN call for proposals on Labor Demand in the MENA region. The title of the research is "Sources of Heterogeneity in Labor Productivity in Egypt's Ready Made Garment Industry".
- Shamel Azmeh (PI) and Abeer Elshennawy. August 2016 - August 2019. Research Grant (\$120,000) granted by London School of Economics. The title of the research is "Global Value Chains as a Route to MENA Economic and Social Development."
- Abeer Elshennawy. December, 2013-June 2014. Research Grant (\$15000) granted by the Economic Research forum for Arab Countries, Iran and Turkey under ERF-GDN call for proposals on the Economics of Informality in the ERF Region. The title of the research is "Trade Liberalization and the Costs and Benefits of Informality: An Intertemporal General Equilibrium Model for Egypt."
- Abeer Elshennawy (PI) and Sherman Robinson. August 2011-June 2012. Research Grant (60,000 Euros) granted by the FEMISE Foundation in France under its internal research competition. The title of the research is "Climate Change and Economic Growth: An Intertemporal General Equilibrium Analysis for Egypt"
- Abeer Elshennawy. March 2010- February 2011. Research Grant (\$19,000) granted by the Economic Research Forum for Arab Countries, Iran and Turkey (ERF) under its second round of research competition on the Environment in the Middle East and North Africa Region (MENA). The title

of the research project “The Impact of Imposing a Tax on the Use of Fertilizers by Farmers: A General Equilibrium Model for Egypt”

- Abeer Elshennawy (PI) and Jean Mercenier. September 2008-March 2010: Research Grant (\$5000) granted by the American University in Cairo. The title of the research is: “The Intertemporal Effect of the Removal of Energy subsidies, gradual reduction of tariffs and deep integration for the Egyptian Economy”
- Abeer Elshennawy. June 5th - June 21st, 2007. Research Grant (1400 Euros) granted by Universite de Cergy-Pontoise. France in preparation for a joint research project with Dr Jean Mercenier titled. “The Intertemporal Effect of the Removal of Energy subsidies, gradual reduction of tariffs and deep integration for the Egyptian Economy
- Abeer Elshennawy. June 1998- June 2000: Research Grant (10,000 Euros) granted by FEMISE Network. Euro-Mediterranean Forum of Economic Institutes for the research project titled “The Euro-Mediterranean Free Trade Agreement: An Inquiry into the cost of adjustment to tariff liberalization for the Egyptian Economy. An Intertemporal General Equilibrium Analysis.” and “Adjusting to Free Trade, Egypt’s Textile and Ready Made Garment Industry”.

II. **Conference Grants** (Full Coverage of Travel and Accommodation)

- Conference Grant. International Conference CNR-ISMed *Mediterranean or Mediterraneans?* Naples, December 2-3, 2025
- Conference Grant. 2024. Economic Research Forum for Arab Countries, Iran and Turkey. Rabat, Morocco, 2024
- Conference Grant 2019. Middle East Center at the London School of Economics. London. 21 March, 2019
- Conference Grant 2019. Economic Research Forum for Arab Countries, Iran and Turkey. Economic Research Forum annual conference. Kuwait. 9-13 March, 2019.
- Conference Grant. 2018. FEMISE Foundation, France. COP24 conference. Poland. 10-13 December, 2018
- Conference Grant. 2018. The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) and German Federal Ministry of the Environment. Inaugural workshop of the regional network on climate-energy-economy modeling in the MENA region. Tunis. 25-27 November, 2018
- Conference Grant 2017. FEMISE Foundation, France. World Science Forum, Jordan. 7-11 November, 2017

- Conference Grant. 2017. FEMISE Foundation, France. FEMISE Annual Conference. Morocco. 28-30 April., 2017
- Conference Grant. 2017. Egypt Network for Integrated Development Annual Conference. Luxor.11-12 February, 2017
- Conference Grant. 2012. FEMISE Foundation, France. FEMISE Annual Conference. Morocco. 23-24 November, 2012
- Conference Grant. 2012. Support Program for Regional Cooperation. Mediterranean and Balkans. Final Conference of the Support Program for Regional Cooperation. Mediterranean and Balkans. Sardinia, Italy. 12-13 September, 2012
- Conference Grant. 2011. FEMISE Foundation, France. FEMISE Annual Conference. Marseille, France. 14-15 December, 2011
- Conference Grant.2011 The Economic Research Forum, Egypt. Conference on Environmental Challenges in the Arab World: Towards an Economic Research Agenda for the Economic Research Forum. Beirut, Lebanon.19 November, 2011
- Conference Grant: 2010. FEMISE Foundation, France. FEMISE Annual Conference, Rome, Italy. 23-24 November, 2010
- Conference Grant: 2010 The Economic Research Forum, Egypt. Conference On Environmental Challenges in the MENA Region. Morocco. 27-28 of November, 2010

III. Fellowships

- January 27-30, 2013. Training on Estimating Stochastic General Equilibrium Models. OECD Paris.
- July23-August10, 2012: Fellowship. (10,000 Euros). FEMISE Visiting Fellowship Program FEMISE Foundation, France. Host Institute: London School of Economics and Political Science
- June 1996-December 1997: Fellowship. The Ford Foundation in Cairo.
- 1993/94: Tuition Fellowship. University of Minnesota.
- 1992/93-1993/94: Fellowship. The Ford Foundation in Cairo.
- Spring 1990/91, Fall 1991/92, Spring 1991/92: Fellowship. The American University in Cairo.

IV. Awards

- Spring 2012. Awarded (\$1000) by the School of Business at the American University in Cairo for publishing a paper in a top tier referred journal rated A. *Journal of Policy Modeling*

COURSES TAUGHT

Advanced Microeconomic Theory (Econ 502)
Environmental Economics (Econ 3054)
Introductory Microeconomic Theory (Econ 202)
Introductory Macroeconomic Theory (Econ 201)
Economic Development in the Middle East (Econ 511)
Economic Growth and Development (Econ 512)
Advanced Macroeconomic Theory (Econ 501)
Advanced Microeconomic Theory (Econ 502)
Special Topics in Economics: Environmental Economics (Econ 506)
Independent Study (Econ 420)
Money and Banking (Econ 303)
Economic History of the Middle East (Econ 239)
Macroeconomic Theory (Econ 301)
Economic Development (Econ 312)

SUPERVISOR OR READER (EXAMINER) OF MA THESIS

- MA thesis Supervisor. *Pollution from Agriculture: A Case Study Egypt*. 2017
- MA thesis Supervisor. *Does Trade Liberalization Lead to Specialization in Dirty Industries? A CGE Assessment for Kenya*. Fall 2016
- Supervisor with Professor William Mikhail: *The Determinants of Egypt's Economic Growth over 1985-2007*. Spring 2010
- Reader and Examiner: *Technical Education and Returns to Schooling in Egypt*", Winter 2008.
- Reader and Examiner: *The Effect of Trade openness on Income Distribution in Egypt*. 2009

- Reader and Examiner: *Micro-credit financing as a Poverty Alleviation Strategy for Egypt*", Spring, 2011

MEMBERSHIPS

- Egypt Network for Integrated Development. (ENID). 2012

SPECIAL SKILLS

General Algebraic Modeling Systems (GAMS)

PERSONAL SKILLS

Fluent in Arabic and English. Reading, writing and verbal skills are Excellent for both languages.

UNIVERSITY SERVICE

- Served on Numerous Promotion and Tenure Committees
- Served on several hiring committees
- Spring 2019 Chair, three-year review committee
- Fall 2018-present Chair of the Department Research Committee
- Fall 2018-Spring 2019 Department Representative on the University Senate
- Fall 2018-December 2019 School of Business Track Owner for AUC international research conference
- September 2017- September 2018 Member of the Department Research Committee
- 2016 member of the Middle States Accreditation Committee
- February 2011-August 2016 member of the student affairs committee
- February 2014- August 2014 Member of the Department Research Committee
- September 2013-present Core Curriculum Committee member
- October 2011-August 2014 Library Liaison
- Fall 2006/2007 till Fall 2011: Member of the committee responsible for organizing department seminars and public lectures

- Fall 2010/2011 Member of Microeconomic Theory Advisory Committee
- Fall 2010/2011 Member of Department Long Range Planning Committee
- Fall 2011/2012 Member of the Campus Environmental Sustainability Committee
- Fall 2011/2012 Library Liaison
- Fall 2011/2012 Participated in the First Year Experience Program
- Spring 2012 to present: Faculty advisor to student club: Ala El Rasif. This club attempts to identify the socio-economic factors underlying the phenomenon of street children and devise solutions to this growing problem. The club will also provide support to NGOs working in this area through fund raising, raising awareness, etc.
